Thanks to everyone who attended the Meet and Greet yesterday!

Our pool pump issues have been fixed thankfully, just in time for the air temperature to drop 10 degrees! We hope to have it back fully functional as soon as the chemical levels have been balanced. These situations are never ideal and always tend to happen when we least need them. The children have been very patient which has been much appreciated. In the meantime the children have been kept cool inside their air conditioned classrooms and under the shade of the oak tree during break times.

Have a fabulous week,
Tangi Geary
Principal

If you have any questions or concerns please get in contact with your child's teacher as soon as possible

Another reminder – we are a water only school – please no juice or fizzy!

**- Reminder -
School is
closed
tomorrow for
Waitangi Day**

COMING SOON

We are launching our new school app this week, it will be another way to keep in the loop about what is happening at our school. This will also be another avenue for quick communication between home and school!

Please have a chat with your tamariki about hand hygiene - this will help them to stay well and avoid the spread of illness

Term One - Important Dates

TODAY- Rm 1 & 3 Leadership day at Morere
